

Impact Assessment workshop

Course duration: One-Day

Who is it for?

Those with specific responsibility for ensuring compliance with equality and diversity objectives

Overview

Organisations may have legal as well as moral obligations to ensure that their equality and diversity policies become reality, and this course is designed to provide attendees with the understanding and skills to undertake effective equality impact assessments.

Objectives

By the end of the course, delegates will be able to:

- ✔ Define what is meant by 'impact assessment' and appreciate when and why it is necessary to undertake one.
- ✔ Identify equality target groups
- ✔ Undertake screening (identify aims and collect evidence)
- ✔ Undertake assessments (consider and evaluate the evidence)
- ✔ Report / publish findings
- ✔ Monitor for adverse impact in the future

The course will also offer further tips and general guidance

All of our courses can be tailored to meet your organisations objectives:
